
Online Filing The filing deadline for all paper income tax returns is 31st October, but if filed electronically you have until 31st January. We file all our income tax returns online and on average clients entitled to a refund received it within 7 days.

Fully IT literate We are happy for you to send us your data electronically and we are able to advise on the most appropriate computer system for you, tailor it to your specific needs and offer training and support after installation.

PAYE/CIS We offer a payroll/CIS service which is fully RTI compliant and can provide payslips in paper or electronic form.

VAT We have a direct contact with a highly regarded VAT consultant who lectures, is the author of Tolley's VAT planning and regularly contributes to professional publications.

Availability We work from home and so we are generally available at all reasonable times.

As our business has grown we now employ one part time member of staff, Sam Freeman. Sam has five years experience in accounts preparation and is nearing completion of her AAT qualification.

PII We have full professional indemnity insurance to give you peace of mind. Under the terms of this policy we have professional cover by a qualified Accountant to ensure the continuation of the practice in unforeseen circumstances.

Professional CPD We attend regular CPD update courses through the year. By attending these courses our knowledge is up to date – in the past 12 months these have included – budget tax up date, Inheritance Tax planning and the use of trusts, changes in the capital allowance rules and the new capital gains tax regime.
